Our diet clerks know about
the patient’s food allergies
and prescribed diet from their
health record. The clerks will
work with the patients to find
menu items appropriate for
their diet and guide
them through the meal
ordering process

OUR HEALTH & SUSTAINABILITY COMMITMENT:

UCSF Nutrition & Food Services is com-
mitted to providing our patients and
customers with safe, nutritious food
that tastes good. We choose food prod-
ucts that are whole & as unprocessed
as possible, preferably locally grown,
produced & packaged in a manner
that is less detrimental to the environ-
ment, free from genetic modification, in
consideration of animal welfare & fair-
trade standards. Our products are free
of trans fats & minimize use of products
with high fructose corn syrup. While we
are not 100% there, we continuously
evaluate and change our products to
meet this commitment.
