Our diet clerks know about
your food allergies and
prescribed diet from your
health record. The clerks will
work with you to find menu
items appropriate for your
diet and guide you through
the meal ordering process.

OUR HEALTH & SUSTAINABILITY COMMITMENT:

UCSF Nutrition & Food Services is committed to providing our patients and customers with safe, nutritious food that tastes good. We choose food products that are whole & as unprocessed as possible, preferably locally grown, produced & packaged in a manner that is less detrimental to the environment, free from genetic modification, in consideration of animal welfare & fair-trade standards. Our products are free of trans fats & minimize use of products with high fructose corn syrup. While we are not 100% there, we continuously evaluate and change our products to meet this commitment.
