

### **To our Valued Customers**

We at Moffitt Catering take pride in the relationships we have established, and it has been our pleasure serving you. We always strive to provide you with the highest quality food and service, and this will not change.

Up until now, we have worked hard to avoid raising our prices, despite rising food, labor, fuel and insurance costs, but unfortunately, we can no longer delay the inevitable. As a result, effective June 23, the beginning of FY 2025, you will see a modest increase of approximately 5% on food, beverage, rental, and labor charges.

We understand that even a small increase in pricing may impact your decision when choosing a caterer. We hope that you'll consider the relationship that we have established, as well as knowing that when you choose our services, you are supporting your fellow UCSF employees. If you have any questions, please feel free to contact your Moffitt Catering Event Planner.

Thank you for using Moffitt Catering at UCSF, your continued patronage is truly appreciated.

Sincerely,

Your Moffitt Catering Team
